Hi! My name is Miss Karli and I can't wait to meet you in class! I grew up dancing and I'm so excited to dance with you at Studio 360 School of Dance! Read through the information below to get a better understanding of my teaching style, beliefs for dancers, and a little about me! See you in class!

'You are never too old to set another goal or to dream a new dream'

HOW TO SUCCEED IN MY CLASS:

- Focus on technique and details in your skills. Execute them safely!
- Work on the small things so you can focus on the big skills!
- Stretch at home! Especially you back and shoulders for acro skills.
- Remember everyone learns at a different pace. Focus on yourself and how you can improve.
- Get 1% better everyday!

A LITTLE MORE ABOUT ME...

- I am a college student enrolled in the nursing program at Iowa. Go hawks!
- I am a certified kickboxing trainer at 9Round Fitness.
- I competed regionally and nationally on Prairie Varsity Poms in high school.
- I teach a variety of acro, skills, jazz, and pom/hip hop classes!
